A MESSAGE FROM

Coach Bruce

Thank you to everyone from coaches to administrators to parents to swimmers for making my ninth year with the TITANS a special one.

“Teamwork” is often defined as a group of individuals working towards a common goal. It is noticeably clear that the TITANS Swimming Family illustrates teamwork to the highest degree. I am amazed by the dedication of our families, swimmers, administrators, and coaches in helping the TAC TITANS become one of the top USA swimming programs in the country.

Dues Reduction, Triton Club, Titans in Action, Parent Liaisons, Social Media Coordinators, and all other branches of the TLC enable us to be one of the best comprehensive swimming organizations in the country. Simply stated, we have “top notch” support organizations. We could not accomplish our team goals without them.

Community Service

*During the last year, Titan swimmers served their community through volunteer events with partners including the Food Bank of Central and Eastern NC, the Miracle League of the Triangle, various engaging events for swimmer groups, and our own Titans in Action service club. In addition, through our yearly tradition of supporting the Friends of Wake Guardian ad Litem, Titan families provided 125 holiday gifts for our 15 sponsored children. In total, Titan swimmers provided **over 1400 hours of community service** and gave countless donations of food and gifts to people in need.*
