

## USA SWIMMING NEW SWIMMER REGISTRATION

**Please read the instructions below BEFORE starting the registration process:**

1. Click on the TAC registration link below AFTER SEPTEMBER 1, 2025
2. Create a login (this will be your information as the parent).
3. After the login is created. Click on the TAC registration link again.
4. Login
5. Select "register new member"
6. Select "I am registering my child"
7. Enter your swimmer's information.
8. Answer "no" that they haven't been registered with USAS before.
9. Continue to select and pay for membership.

**Premium Athlete** - unlimited sanctioned meets with 12/31/26 expiration date when purchased after 9/1/25

**Individual Season Athlete** - unlimited sanctioned meets with expiration date of 5 months from the date of registration. To swim in additional meets beyond the 5 months, membership must be upgraded to Premium BEFORE the expiration date, paying the difference between the 2 memberships. After the expiration date, it can't be upgraded, a Premium membership must be purchased at full price.

**FLEX** - 12&U only with 12/31/26 expiration date but only 2 sanctioned meets permitted. To swim in additional meets membership must be upgraded to Premium or Individual Season Athlete, paying the difference between the 2 memberships. Upgrade is also required if the swimmer turns 13 before 12/31/26.

These instructions are for families who have not had any swimmers registered with USA Swimming. If just adding another new swimmer, start with 1. above and then skip to 4. since you already have a login.
